

REMARKS

This communication is not intended to be responsive to the Office action dated February 23, 2009. This amendment is solely responsive to a rejection made in copending application No. 11/217,476 requiring the cancelation of claims in the present application. The response due in this application will be filed in due time. Accordingly, it is respectfully requested that the Examiner not act on the merits of the case at this time, and only to do so when the appropriate response to the Office action of February 23, 2009 is filed.

Claims 27-69 are pending in the application. Of those claims 64 and 66 are canceled herein due to a nonstatutory obviousness-type double patenting rejection in copending Application No. 11/217,476.

Entry of the amendment is respectfully solicited.

Respectfully submitted,
